

Polyethylene (PE) Chute

Heavy Duty, Highly Durable Trailer Air Chute

Maintain Consistent Cool Air Circulation Throughout Your Trailer

- Heavy duty, reinforced, white polyethylene
- No shrinking or cracking like coated nylon
- Half the weight of vinyl, more than twice the tensile strength and almost twice the tear strength
- Cold crack resistant to below -40° F
- Available in single or two finger chute configurations

Keep perishables at the right temperature with consistent cool air circulation.

Easy to Install

Lightweight but strong material allows for easy installation into the trailer.

Durable

Tested, durable chute material will satisfy high expectations.

Customizable

Custom sizes in mesh and vinyl are available, as well as optional velcro configuration.
