

Rear Pull Down Curtain (RPDC)

Easy Up, Easy Down, Lock in Place - Just Like a Roller Shade

Maintain product integrity with a curtain that operates like a roller shade, retracting and stowing easily

The Rear Roller Curtain's retractable design sets it apart from traditional static or strip door protection options. Drivers and warehouse workers can freely move in and out of the trailer when loading or delivering, creating an easy-to-use and low maintenance curtain for temperature control.

- Retracting design along with side brush seal system provides superior temperature control
- Easy to install, operate, and maintain
- Assists with Food Safety Modernization Act (FSMA) guidelines

Rear Pull Down Curtain

Exterior

- 18oz commercial grade vinyl
- 22oz trimmable vinyl sweep
- Clear view window
- Two pull straps for loading dock and ground floor operation
- Accommodates swing and roll up door operation

Hardware & Securement

- Integrated side wall brush assembly
- Weighted for stability
- Locking brackets secure curtain in closed position
- Hi-Vis orange guard protects curtain from frontal damage

Advantages

- Retractable design provides an unobstructed, non-invasive pass through for drivers and loaders
- Tight perimeter seals provide superior temperature control
- Easy installation with minimal components
- Rear & side door pull down curtains available
