

Side Door Gravity Curtain

Easily and Effortlessly Keep the Curtain Closed With the Force of Gravity

Automatically protect temperature-sensitive products with the help of gravity

The Gravity Curtain mounts on an incline above the door opening. It easily moves up the track with one swift motion when drivers enter or exit the door, and automatically closes behind the driver with the help of gravity.

- Provides easy access in and out of the busy side door while automatically protecting product
- Curtain track mounted at 16" incline above door opening
- Easy to install, operate, and maintain
