

Durable Insulated Containers

Insulated, Reusable, High Impact Containers for Temperature-Sensitive Transport

Optimize the transport of chilled, frozen, or sub-zero perishables on your dry goods trailer

The Durable Insulated Containers are ideal for storage in the warehouse, on the dock, and for the transport and storage of dry ice. Unloading and loading is trouble-free thanks to the durable and ergonomic design.

- Maintains critical temperature and product quality for hours up to several days without mechanical refrigeration
- Polyethylene and urethane foam provides maximum durability and insulation
- Yields years of reuse in the most rugged environments

Durable Insulated Containers

Specifications

- FDA approved materials
- Double-wall construction with specialty-treated high impact polyethylene
- Specially formulated foam-in-place urethane insulation
- FLX-SEAL® doors on upright models fold up and out of the way allowing for complete product access
