

# CoolGuard

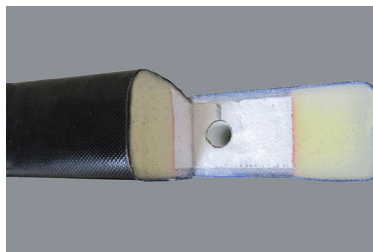

## Lightweight Insulated Bulkhead

Light on weight, strong  
on performance

- Light as a feather but heavy on quality and performance
- At just 60-lbs, this bulkhead is easy to move and transfer
- Antimicrobial protection treated vinyl proven to stop bacteria in its tracks

Flexible, double laminated, double reinforced 100 mil thick, smooth skid guard with no exposed hardware.

Built-in stiffening rods – 2 per half, 4 per bulkhead – provide extra strength and rigidity.

The Randall CoolGuard lightweight insulated bulkhead is the easy-to-maneuver, reliable solution for protecting the most fragile goods in-transit. Its excellent thermal control, durable design, and antimicrobial protection features place it at the top of its class.
